The Battle for Boroondara's Heritage continues.

**ANNUAL GENERAL MEETING ONLINE**

**IT'S TIME!**

- After 20 years on the frontline it's time for the KCC to move on.
- It's time for the professionals to take up the challenge for change.
- It's time for the Parliament of Victoria, the Andrews Government, the Media, IBAC, Heritage Victoria, and Boroondara Council to drive the change.
- It's time the professionals demonstrate what they have learnt from the State Government's disgraceful privatisation of 27 hectares of Kew Cottages Public Land.
- So a Special Resolution to wind up the KCC will be put to the AGM.
- Yes it's time.
